35 ADLINGTON ROAD, BOLLINGTON, MACCLESFIELD, SK10 5JT

This traditional mid terraced stone cottage enjoys a lovely location on the verge of the village close to woodland and fields. There are open views to the front over the opposite wooded bank, and to the rear over the nearby cricket ground and recreation park. The position also has the convenience of the proximity of the recreation park and the Middlewood linear walkway, and of easy access to many of the services that Bollington has to offer. These include shops for everyday needs, a library, the Arts Centre, plus a number of good pubs and restaurants. Walks can easily be taken from the doorstep into the beautiful surrounding countryside.

The property has attractive stone elevations under a pitched slate roof, and has been refurbished recently by the present owners into a very homely cottage that includes modern kitchen and bathroom fittings. These sit comfortably along side more traditional features such as the natural stone fireplace in the lounge. In addition to the main accommodation there is a very useful converted attic area, boarded with carpet, plastered walls and ceiling, and a 'Velux' roof window. This could have a variety of uses and is accessed via a retractable alloy ladder from the landing.

There are bus stops in Bollington with services running in Macclesfield and Stockport. Macclesfield centre is approximately 4 miles away where there are a comprehensive range of shops and a mainline rail station. Manchester airport and access to the Northwest motorway network are within a radius of 11 miles.
